## "Heroes Trust God, Not Their Gut"

Series: "Heroes Vs. Zeros" Numbers 13-14 July 12th, 2020

| 1. | Trust is the remedy to your                |  |  |
|----|--|--|--|
|    |  |  |  |
|    |  |  |  |
|    |  |  |  |
|    |  |  |  |
|    |  |  |  |
| 2. | God wants you to have in spite of          |  |  |
|    | the data. He is greater than your greatest |  |  |
|    | , and bigger than your biggest             |  |  |
|    |  |  |  |
|    | ·  |  |  |

| 3. | Unbelief will                         | us from            |
|----|---------------------------------------|--------------------|
|    | enjoying God's                        | in our lives.      |
|    |                                       |                    |
|    |                                       |                    |
| 1  | It is in the                          | where Cod makes    |
| 4. | It is in the                          | _ where God makes  |
|    | himself                               |                    |
|    |                                       |                    |
|    |                                       |                    |
|    |                                       |                    |
|    |                                       |                    |
| 5. | Am I willing to get in the wheelbarro | w? If not, what is |
|    | hold me back?                         |                    |
|    |                                       |                    |
|    |                                       |                    |
|    |                                       |                    |
